## Software Developer

Missoula, MT | (509) 951-9106 | mariahweardev@gmail.com

Portfolio: <https://mariahw4.github.io/react-portfolio/> LinkedIn: <https://www.linkedin.com/in/mariah-wear/>

As a web developer, I bring a unique perspective from my background in online retail and education in science. I'm passionate about understanding how end-users interact with websites and software platforms. With strengths in attention to detail, problem-solving, teamwork, and effective communication, I excel at recognizing patterns and seeing projects through from concept to execution.

### **EDUCATION:**

**Certificate:** Full Stack Web Development (2022 - 2023) UC Berkeley Extension, edX

**Associate of Applied Science:** Diesel Service Technology (2015 - 2017) University of Montana, Missoula

**Bachelor of Science:** Wildland Restoration (2007 - 2011) University of Montana, Missoula
