

Mariah Wear

Software Developer

Missoula, MT | (509) 951-9106 | wearmariahk@gmail.com

Portfolio: <https://mariahw4.github.io/react-portfolio/> LinkedIn: <https://www.linkedin.com/in/mariah-wear/>

Web developer leveraging background in online retail and education in science to provide unique perspectives on how end-users interact with websites and software platforms. Earned a certificate in Full Stack Web Development from the UC Berkeley Extension Bootcamp at the end of May 2023. Highly motivated developer who is passionate about website design and functionality. Strengths in problem-solving, teamwork, communication, attention to fine detail, pattern recognition, and building projects from initial concept to execution.
